

The Pearl REIF performance for the three-month period ended 31 March 2026

Dear Unitholders,

On behalf of the Fund Management Body of The Pearl REIF, I am pleased to present the condensed interim financial information for the nine-month period ended 31 March 2026.

The total net profit for the nine-month period from 1 January 2026 to 31 March 2026 amounted to OMR 1.6 M.

The Fund’s distribution and earnings, as of now, continue to be in line with the public prospectus forecasts. The management of the Fund is actively looking to increase its real estate portfolio by adding additional assets to enhance portfolio returns and diversification.

We express our gratitude to our leader HM Sultan Haitham bin Tariq for his visionary leadership, and under his guidance, we look forward to many landmark initiatives to help propel our economy to new heights.

Chairman of the Fund Management Body
